Skills for Success North Island - A Leadership and Business Improvement Programme

In partnership with Dale Carnegie MAST is proud to present a unique opportunity for employers and workplace trainers to increase their skills for success.

Available to: Workplace Trainers, supervisors, foreperson, middle management, business owners

Participants: 15 - maximum 20

Date: 28, 29, 30th August 2024

Where:

Workshop Venue at NZ Marine, 85 Westhaven Drive, Westhaven.

Purpose:

To up-skill and give new to leadership or current leaders skills in:

- Communication - to communicate more effectively, confidently, clearly and concisely
- Building trust within teams
- Fostering team engagement
- Creating a supportive work environment
- Problem solving
- Identify success and how to reward success
- Continuous improvement
- Apprentice support and learner success

The purpose is to support managers to coach employees to better performance. In these changing economic times, it is important for businesses to retain staff, as staff is one of the single highest costs in any business. This immersion programme will help your up and coming leaders and workplace trainers contribute to the business in a positive way, supporting key business outcomes and developing personal growth. There is an expectation this programme will give employers an identifiable return on Investment in their people.

As part of MAST Academy's commitment to workplace trainers and up-skilling of the industry, this course will also improve mentoring, coaching, outcomes and completions for apprentices.

Programme Cost:

Employer Investment \$1,000.00+GST per person

(Normal Price: \$3,250.00 + GST per person - MAST Subsidy: \$2,250.00+GST per person)

Employer Expectation:

This is an investment in your employees, and we expect that you and the participants to provide feedback on the programme at the conclusion of the course. It is expected that participants attend all sessions and where identified, for managers or supervisors attend. There is pre-course work required and employers are expected to coach and support the participant. MAST Training Advisors can support employers and participants also.
